

The Generations Ministry

So, being affectionately desirous of you, we were ready to share with you not only the gospel of God but also our own selves, because you had become very dear to us.

1 Thessalonians 2:8

Thank you for your interest in the Generations Ministry. The purpose of this ministry is for the intentional, purposeful partnership of one generation to the next. We believe that the church exists for the glory of God and for the spiritual development of God's people. Therefore members should have a deep and abiding concern for one another. "As iron sharpens iron," we desire to shape one another so that we might all achieve our potential in Christ.

Paul says each of us has been uniquely gifted...

- ...for the common good. (1 Corinthians 12:7)
- ...to equip the saints for the work of ministry, for building up the body of Christ (Ephesians 4:12)
- ... to serve one another, as good stewards of God's varied grace (1 Peter 4:10)

And each of us has been given specific life experiences. But God has not given us these gifts and life lessons simply for our own benefit, he has granted them for the benefit of the church. The Generations Ministry seeks to achieve just that.

There are no specific requirements as far as this ministry is concerned. It is intentionally open-ended because no two relationships are the same. We will seek God's guidance in the choosing of partners, but much of the effectiveness of this ministry lies in you and your partner's hands. That is why we created the Generations Ministry covenant as a means of providing accountability. It is not meant to be a blueprint for this ministry, but rather a means for stressing how important commitment means to growth.

We believe in you. We believe in the necessity of mentoring partnerships for the future of Eastmont. May God bless you and guide you.
